Partnership Overview

• The partner community continues to grow – and we aim to have partners representing every state to make this a truly national initiative.

• If you collaborate with organizations who may be interested in becoming an NRPM partner, let them know about the campaign and how to get involved.

• Partners receive various benefits, from guidance to event invitations to welcome packages. The packages will be in the mail soon!

  “November is National Runaway Prevention Month (NRPM). Did you know that every year, 4.2 million young people experience some form of homelessness? It’s been a year for all of us, but these young people endure things most of us can’t imagine.

  Check out ways you can get involved this month at 1800RUNAWAY.org/nrpm. If you are able to give, please donate to the NRPM campaign at bidpal.net/nrpm. #NRPM2020

Resource Day – Nov. 2

Resource Day is all about highlighting the incredible resources out there for RHY.

We encourage you to:

1) Post about your own organization and tag it #NRPM2021! NRS may share your post, and it will receive visibility from the hashtag.

2) Share posts from other organizations, or highlight other organizations that you admire.

This is a chance for the RHY community to lift each other up and show young people that there is help for them out there.
